

Clockwork Hoplites Assembly Instructions

READ THIS FIRST

BEFORE ASSEMBLING YOUR MODEL KIT PLEASE READ THROUGH THE INSTRUCTIONS IN THIS BOOKLET CAREFULLY. A pair of plastic cutters is required to remove the plastic components in this kit from their frame. We advise using a mouldline scraping to clean up the parts. To assemble your model you will need plastic glue.

SYMBOL EXPLANATION

- | | | |
|------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------|
|  Special Instruction -Please read |  Do not glue the components |  Rotate part |
|  Variant assembly |  Detail view |  Glue the component |
