

# First Blood Reinforcements 2026 - Nords Assembly Instructions

## READ THIS FIRST

**BEFORE ASSEMBLING YOUR MODEL KIT PLEASE READ THROUGH THE INSTRUCTIONS IN THIS BOOKLET CAREFULLY.** A pair of plastic cutters is required to remove the plastic components in this kit from their frame. We advise using a mouldline scraping to clean up the parts. To assemble your model you will need super glue for resin parts or plastic glue for plastic parts.

## SYMBOL EXPLANATION

|                                                                                 |                                  |                                                                                   |                            |                                                                                   |                    |
