

# W'adrhûn One Player Starter 2026 Assembly Instructions

## READ THIS FIRST

**BEFORE ASSEMBLING YOUR MODEL KIT PLEASE READ THROUGH THE INSTRUCTIONS IN THIS BOOKLET CAREFULLY.** A pair of plastic cutters is required to remove the plastic components in this kit from their frame. We advise using a mouldline scraping to clean up the parts. To assemble your model you will need super glue for resin parts or plastic glue for plastic parts.

## SYMBOL EXPLANATION

|                                                                                   |                                  |                                                                                   |                            |                                                                                   |                    |
|-----------------------------------------------------------------------------------|----------------------------------|-----------------------------------------------------------------------------------|----------------------------|-----------------------------------------------------------------------------------|--------------------|
|  | Special Instruction -Please read |  | Do not glue the components |  | Rotate part        |
|  | Variant assembly                 |  | Detail view                |  | Glue the component |
|  | Stage complete                   |  | Repeat process             |                                                                                   |                    |

**You will need:**

Plastic Glue

Plier Cutters

Hobby Knife
